

## Greek Cookies

### What you need:

- 300g self-raising flour
- 100g sugar
- 125 g margarine
- 1 egg
- Zest of  $\frac{1}{2}$  an orange
- Juice of  $\frac{1}{2}$  an orange
- $\frac{1}{2}$  teaspoon vanilla extract

### What you do:

1. Mix all the ingredients together in a large bowl!
2. Split the cookie dough between the children on your table.
3. Shape the cookies with your hands (any shape/twists you like).
4. Place in your tin on baking paper
5. Cook at home (180°C/gas mark 4 for approximately 20 minutes)
