Dear Parent / Carer,

I am writing to let you know about Operation Encompass a project run in partnership with Cheshire Police across several local authorities including Cheshire West and Chester.

The project aims to support children who are affected by domestic abuse.

Following a domestic abuse incident, the Police will make contact with the school and communicate relevant information to nominated school staff, to ensure that the school are made aware early enough to support children and young people in a way that means they feel safe and included.

Each school has a member of staff (key adult) who is trained to liaise with the police, when required, whilst ensuring support is available to the child.

We are committed to working in partnership, to safeguard and protect children across Cheshire and provide the best possible care and support for our pupils.

In the meantime, if you would like to speak to someone further about the project or require further information, please do not hesitate to contact **Miss Morris who is the key worker at Whitby Heath.**

You can also find out more about Operation Encompass via the following site: <http://www.operationencompass.org/>

Yours faithfully

G Morris
